Week 10 | Minecraft: A Fourth World?

姓名：_____　日期：_____

本週任務：讀懂遊戲新聞，分清消息與想像；用 **因果、時間與條件句**，把自己的安排說完整。

Reading | 新聞 × 實況對話

先讀兩篇，再回答問題。**A 是官方新聞的簡化改寫；B 是為本課編寫的虛構對話。** 不需要玩過遊戲也能作答。

專有名稱只需認得：Minecraft（遊戲名）、The Sift（新維度名稱）、Java / Bedrock（遊戲版本名）、Overworld / Nether / End（原有三個維度）。這裡的「維度」指遊戲中的不同世界。

A1. Big News

Minecraft players have some big **news**. At Minecraft Live on September 26, 2026, Mojang, the **company** behind the game, showed a new world called the Sift. It will join the Overworld, the Nether, and the End as Minecraft's fourth world.

A2. Next Year, Not Today

The company's **report** says the Sift will come to Minecraft Java and Bedrock in 2027. It also says the Sift is part of Minecraft Dungeons II, a different game. Players should read the game name carefully. News about one game does not always mean the same thing for another game.

A3. Read Before You Share

The report gives a year for Java and Bedrock, but it does not give a day or a month. This is news about the **future**. Before you **share** a video with a friend, ask two **simple** questions: Which game is it about? When can players play it?

來源：Minecraft 官方公告，2026-09-26。查核：2026-10-14。本文縮寫為簡易英文；遊戲未來安排仍可能變動。

B. Two Friends, One Video

以下是虛構實況對話，不是官方功能預告。Leo 和 May 正在談一支新影片。

Leo: Look at this! The video says, “Play the fourth world now!” I will open Minecraft tonight. Will you play with me?

May: Wait. What is the name of the game in the video?

Leo: Oh, it says Minecraft Dungeons II. I play Minecraft Java. Are they the same game?

May: No. Because they are different games, let's read the company's report first. It says the Sift will come to Java next year.

Leo: So I won't find it in Java tonight. But I can still make a little world of my own. When I **create** a new map this weekend, I will put a small house near a blue river.

May: Nice! Will you put a big green animal in it?

Leo: Maybe! That's my idea, not news from the company. I will **test** the map with you first. Then I will **improve** it. What will you do?

May: If you have time, I will make a short video with you. This is our map, so I won't say it is the Sift. I will say, “This is our idea for a new world.”

Leo: Good. I'll share the video after we test and improve the map. And before I share other news, I'll read the game name!

Read & Choose | 閱讀測驗

每題選一個最佳答案。不懂的字先看前後句；用文章內容作答，不靠遊戲常識。

1. What is the main idea of A?

(A) Every Minecraft game is the same.
(B) Players can make a green animal today.
(C) A fourth world is coming, and players should read the game name and time.
(D) The company will stop making games next year.

2. In A, when will the Sift come to Minecraft Java and Bedrock?

(A) In 2027.　(B) Tonight.　(C) On September 26, 2026.　(D) This weekend.

3. What does "report" mean in A2?

(A) A place where players sleep.
(B) Something you read to learn about the news.
(C) A map made by two friends.
(D) A person who plays a game.

4. Why does May ask Leo to read the game name?

(A) She wants him to stop playing all games.
(B) The video is too long to watch.
(C) She cannot read the year.
(D) The game in the video is different from the game he plays.

5. Which is Leo's own idea?

(A) The Sift will come to Java.
(B) Java and Bedrock players will get the Sift in 2027.
(C) There will be a small house near a blue river on his map.
(D) Minecraft Dungeons II is a different game.

6. What is the right order in B?

① Share the video.　② Test the map.　③ Create a map.　④ Improve the map.

(A) ① → ② → ③ → ④　(B) ③ → ② → ④ → ①
(C) ② → ① → ④ → ③　(D) ④ → ③ → ① → ②

7. What is the best answer to your friend, using A?

Your friend: "The Sift will come to Java on January 1, 2027."

(A) The year matches A, but A does not give that day.
(B) Yes. A gives that day and month.
(C) No. A says it will come tonight.
(D) Yes. Leo says he will create it on that day.

8. What can we learn about May from B?

(A) She never watches videos.
(B) She works for Mojang.
(C) She has played the Sift in Java.
(D) She wants people to know which parts of the video are their own ideas.

找出依據：第 4 題回到 B，圈出一句支持答案的話；第 7 題回到 A，畫線標出依據。

Words & Phrases | 核心字與好用說法

10 個核心字：7 個舊字回想 + 3 個新字。舊字先自己想，不預設已經熟練。專有名稱不考拼字。

字	本課意思	短例句	安排
player	玩家	He is a Minecraft player.	舊字
company	公司	Read the company's report.	舊字
simple	簡單的	Ask a simple question.	舊字
share	分享	I will share the video.	舊字
create	創造；製作	We will create a map.	舊字
test	測試	Let's test the map.	舊字
improve	改進	We will improve it.	舊字
news	新聞；消息	This is big news.	新字 · 1200
report	報導；報告	I will read the report.	新字 · 1200
future	未來	We are talking about the future.	新字 · 1200

> **news 看起來有 s，但本課當不可數名詞：This is good news.** 不說 a news，也不說 These are good news.

三個拿來就能用的說法

說法	意思	讀完後自己補一句
next year / this weekend	明年 / 這個週末	I will _____ this weekend.
of my own	我自己的	I will create a world of my own.
first / then / after ...	先 / 然後 / 在……之後	I will test it first. Then I will _____ it.

小練習：先遮住上表

W1. 新聞；消息：_____　W2. 報導；報告：_____　W3. 未來：_____

W4. I will _____ the map with May first.（測試）

W5. Then I will _____ it.（改進）

W6. I won't _____ the video before I read the report.（分享）

Say It | 字母 sh 的聲音

用 **share** 練習：嘴唇稍微往前，牙齒靠近、不要咬住，讓氣持續流出；不要在前面多加一個「四」的音，也不要在尾巴加「呃」。先把 sh 的氣流做出來，再接後面的聲音。

只測試發音，不教意思、不算本週單字。老師先不要示範下面三字。 看見相同的 sh，自己試讀：

ship　　shop　　shed

老師記錄：□ 能自行找出 sh　□ 氣流連續　□ 沒多加母音

Grammar 1 | 原因、結果與先後順序

1. because 接原因；so 接結果

先想清楚「為什麼」和「所以怎樣」，再選連接詞。不能只看到兩個句子，就隨便放 because 或 so。

你先說什麼？	句型	同一件事的兩種說法
先說結果，再補原因	結果 + because + 原因	I won't share it **because I don't know the game name**.
先說原因，再說結果	原因, so + 結果	I don't know the game name, **so I won't share it**.
原因放最前面	Because + 原因, 結果	**Because I don't know the game name**, I won't share it.

because 後面接「原因」；so 後面接「結果」。 原因換到前面或後面，意思仍要對。

> **同一組因果，選一個接法，不把 because 和 so 一起塞進去。**
> Because this is our map, ~~so~~ we will call it our idea.
> This is our map, so we will call it our idea.

2. before / after：不是背中文，要判斷誰先做

下列三句都表示：**先測試 → 再分享**。句子先寫哪個動作，不等於那個動作先發生。

句子	先做什麼？
I will test the map **before I share it**.	先 test，再 share。
I will share the map **after I test it**.	先 test，再 share。
Before I share the map, I will test it.	先 test，再 share。

before / after + 主詞 + 動詞 可以接一整件事；放句首時，這一段後面加逗號。

讀到 **I will share it after I test it.**，先圈 after，再用箭頭標出實際先後：_____ → _____。

3. 把句子拆成兩塊看

I will share the video | after we test the map.

- 主要想說的安排：I will share the video.
- 補充什麼時間：after we test the map.

先找兩邊各自的主詞與動詞，長句就不必整串硬背。下一頁要處理：兩邊都談未來，為什麼只有一邊用 will？

Grammar 2 | 未來的時間與條件

4. when / before / after：談未來，時間子句用現在式

「子句」就是句子裡一塊有自己主詞、動詞的部分。用 when / before / after 說明未來的時間時，**主要安排可用 will；時間子句用現在式**。

時間子句：現在式	主要安排：will + 原形
When Leo creates the map this weekend,	May **will test** it.
Before he shares the video,	he **will read** the report.
After they test the map,	they **will improve** it.

When Leo creates ... 的 creates 仍要看主詞 Leo；不能因為意思是未來，就寫成 When Leo will create ...。

5. if：先說「如果」，再說會怎樣

If + 主詞 + 現在式, 主詞 + will + 原形。

If May **has** time tomorrow, she **will test** the map.
如果 May 明天有時間，她就會測試地圖。不是說她一定有時間。

If the map **doesn't work**, we **will improve** it.
doesn't 後面的 work 用原形；另一邊 will 後的 improve 也用原形。

6. if 和 when：你是在說條件，還是在說時間？

句子	說話者的意思
If May has time, she will play.	如果有空才會玩；先看條件是否成立。
When May gets home, she will play.	說的是回家那個時間點；接著會玩。

不是所有 when 後面都不能有 will！下面是**直接問什麼時候**，沒有另一個主要安排：

When will you share the video?（你什麼時候會分享？）
I will share it when I get home.（我回家時會分享。這裡才是時間子句。）

> **三步檢查，不靠中文逐字翻譯**
> ① 先看關係：原因、結果、時間，還是條件？
> ② 找兩邊的主詞、動詞；時間 / 條件子句用現在式，he/she/it 要留意 s。
> ③ 主要安排用 will + 原形。句首的時間 / 條件子句後加逗號。

舊句型快速提醒：Does he **play**? / Did he **play**? / He will **play**.；助動詞後原形仍要保留，但不再當整課主軸。

Try It 1 | 讀關係，再選句型

G1–G6：選最符合中文情境的答案

G1. 因為這是我們自己的地圖，所以我們不會說它是官方的 The Sift。

This is our own map, _____ we won't call it the Sift.
(A) because (B) so (C) before (D) if

G2. 先測試，再分享；把主要安排「分享」放前面。

We will share the map _____ we test it.
(A) after (B) before (C) because (D) if

G3. May 明天不一定有空；有空才測試。

_____ May has time tomorrow, she will test the map.
(A) So (B) Because (C) When (D) If

G4. 要表達「因為不知道遊戲名稱，所以不分享」。

I won't share the video _____ I don't know the game name.
(A) so (B) after (C) because (D) before

G5. 下列哪句表示「先讀報導，再拍影片」？

(A) I will read the report after I make the video.
(B) I will make the video before I read the report.
(C) After I make the video, I will read the report.
(D) Before I make the video, I will read the report.

G6. 你直接問朋友「什麼時候會分享影片」，哪句正確？

(A) When you will share the video?
(B) When will you share the video?
(C) When do you will share the video?
(D) When will you shares the video?

G7–G12：兩邊都看，再填動詞

填入括號動詞的正確形式；有些空格需填兩個字。

題號	句子
G7	When Leo _____ the map tomorrow, May will test it. (create)
G8	If May _____ time tonight, she will read the report. (have)
G9	Leo will test the map before he _____ it. (share)
G10	After they test the map, they _____ it tomorrow. (improve)
G11	If the map _____ work, we will test it again. (填 do 的否定式)
G12	Before May _____ the video, she will read the report. (make)

Try It 2 | 自己把話接起來

G13–G16：改正畫底線處，再念完整句

每句只有一個文法錯誤；答案寫在右欄。

題號	原句	改正畫底線處
G13	If he <u>will have</u> time tomorrow, he will play.	_____
G14	When she <u>get</u> home, she will read the news.	_____
G15	After we test the map, we will <u>shares</u> it.	_____
G16	Because it is our own map, <u>so we</u> won't call it the Sift.	_____

G17–G20：依照關係合併或寫句子

G17. I won't share the video. I don't know the game name.（用 because，I won't 開頭）

G18. We will read the report first. Then we will make a video.（用 after，We will make 開頭）

G19. May 明天不一定有空；有空才測試地圖。（用 If 開頭，包含 have / test）

G20. This is our own map. We will call it our idea.（用 so 合併）

G21–G22：把同一件事換個說法

G21. I will test the map before I share it.（改用 after；意思與先後不變）

G22. Because I don't know the game name, I won't share the video.（改用 so；原因、結果不變）

Speak | 你是實況主：說明你的製作安排

用 30–45 秒說清楚三件事。設計可自由發揮，**自己的想法要明說，不能當作官方消息**。

- 先做什麼、再做什麼：用 **before / after** 至少一句。
- 有什麼條件才做：用 **if** 至少一句。
- 為什麼這樣安排：用 **because / so** 至少一句。

老師追問：「如果你朋友明天沒空呢？」你要用 **If ...** 換一個合理安排，不能只重複背好的句子。

Homework | 三次短練習

每次約 8–10 分鐘。先回想，再看講義檢查；不需要上網或購買遊戲。

Day 1 | 遮住字表，從意思找回英文

中文	英文	中文	英文
玩家	_____	公司	_____
簡單的	_____	分享	_____
創造；製作	_____	測試	_____
改進	_____	新聞；消息	_____
報導；報告	_____	未來	_____

檢查後選兩個忘記的字，說一次、遮住，再各寫一次：

_____ _____

Day 2 | 幫一段遊戲新聞配音

先填空，再念整段。使用字：**news / report / future / share**，每字用一次。

This is big H1. _____. I will read the H2. _____ first. It is about the H3. _____. Then I will H4. _____ it with a friend.

H5. 合併：I will read the report first. Then I will share the news.（用 before）

H6. 朋友可能有空，也可能沒空。用 If 寫出有空才一起玩的安排。

Day 3 | 改錯 + 讀懂消息

題號	原句	改正畫底線處
H7	Before she <u>will share</u> the video, she will read the report.	_____
H8	If he <u>have</u> time, he will test the map.	_____
H9	Because this is our idea, <u>so we</u> will call it our map.	_____

H10. 朋友只看了一支影片，就說：「今晚 Java 一定可以玩到 The Sift！」依 A、B，你會請他先確認哪兩件事？可用中文。

① _____

② _____

H11. 依 A，寫出已公布的年份：_____。再說明文章有沒有給出確切月日：

H12. 用 because 或 so 寫一句：為什麼分享新聞前要先讀報導？用本課的簡單英文表達即可。
