Text B: Soryu Dojo Diary & Conversation Excerpt

Master Keizo sat in the quiet hall of the Soryu Dojo. Outside, the evening air was **peaceful**, but the streets were already getting busy for the summer **event**. Keizo looked at Hakuji, his young apprentice, who was carefully carrying a bowl of fresh water to the inner room.

"How is Koyuki feeling today, Hakuji?" Keizo asked with a gentle smile.

"Her fever is down, Master Keizo," Hakuji replied softly. "She took her morning **medicine**, and she is resting now. The doctor said she needs **strength**, but she will **recover** with good food and quiet care."

Keizo nodded. "You have taken great care of my daughter since the day you arrived. When you first came to this town, you fought with everyone because you thought you had nothing to lose. But I saw your true heart. You have great **skill**, but your real power is your desire to **protect** others."

Hakuji looked down at his hands. Three years ago, he was alone and angry at the world. Nobody trusted him, and guards in the city punished him for stealing medicine for his sick father. But Master Keizo gave him a home and treated him like a son.

"Master," Hakuji said, "I made a **promise** to Koyuki. When she becomes strong enough to walk outside, I will carry her to the riverbank so we can watch the **fireworks** together."

"That is a wonderful promise," Keizo said warmly. "You are like a guardian lion dog guarding a sacred shrine. You always stand as a **guard** for those who are weak."

Keizo then pointed to the town **notice** on the wooden table. "There will be a large **crowd** tonight. Some people from the nearby sword dojo are jealous of our unarmed fighting style. If a **stranger** comes near our gate or our well, stay calm and keep everyone safe."

"I will, Master," Hakuji said firmly. "I will protect this dojo and Koyuki with my life."

Part 3 : Grammar - Nouns, Articles & "There is / There are"

1. 可數名詞 (Countable) vs 不可數名詞 (Uncountable)

在英文中，名詞能不能「一隻一隻數」決定了它後面的動詞與冠詞！

類別	特徵	常見範例	規則口訣
可數名詞 (Countable)	有單數、有複數；單數前要加 a / an / the，複數加 -s / -es	a guard / two guards an event / three events a doctor / four doctors	💡 可數單數不能裸奔！ 前面一定要有帽子 (a / an / the / my)。
不可數名詞 (Uncountable)	不能加 -s，前面絕對不能直接 加 a / an！	water (水), medicine (藥), strength (力氣), peace (和平), money (金錢)	💡 液體、抽象概念、粉 末不可數！ ✗ a water ✗ medicines (當總稱藥物 時)

2. 數量詞的搭配 (看清楚修飾對象！)

想表達「很多」、「一些」、「很少」時，要根據名詞的可數性挑選正確的字：

意思	修飾「可數名詞複數」	修飾「不可數名詞」	兩者皆可通用
很多	many (many students)	much (much water)	a lot of / lots of
一些	a few (a few guards)	a little (a little medicine)	some (肯定句) / any (否定與疑問)

意思	修飾「可數名詞複數」	修飾「不可數名詞」	兩者皆可通用
很少 (幾乎沒有)	few (few friends)	little (little time)	—

💡 快速辨認技巧：

- **a few** 配有 **-s** 的字 (*a few books*) 。
- **a little** 配沒有 **-s** 的字 (*a little water*) 。
- **some** 用在肯定句 (*I have some water.*) ; **any** 用在否定句與問句 (*Do you have any questions?*) 。

3. 冠詞的三大基本功：a / an vs the

- **a / an** (不定冠詞)：表示「任何一個」(第一次提到、未指明哪一個)。
 - 用 **an** 的時機：字首發音為**母音音標** (/a/, /e/, /i/, /o/, /u/)，如 *an event, an apple, an honest person* 。
- **the** (定冠詞)：表示「特定那一個」或「雙方都知道的那件事物」。
 - 例：Hakuji read **a** notice. **The** notice was about the festival. (第一次提到用 a，第二次指特定那張用 the) 。

4. 存在句型：There is vs There are (「有.....」)

表達「某個地方存在某物」時，使用 **There is / There are**，**不要跟 have / has 混淆！**

句型	適用名詞	例句
There is + 單數可數名詞	單數一個	There is a guard at the gate. (大門口有一位守衛。)
There is + 不可數名詞	液體 / 抽象 / 無複數	There is clean water in the well. (水井裡有乾淨的水。)
There are + 複數名詞	兩個以上 (有 -s)	There are many people near the river. (河邊有許多人。)

⚠ 超常見會考陷阱：

- ❌ *The well has water.* (中文常說「水井有水」，但若指地點存在某物，標準英文為：**There is water in the well.**)
- ❌ *There have many people.* (絕對不能把 there 和 have 連在一起用！)
