

Week 6 Student Mission: Survive the First Two Days

影片： *I Spent 100 Days in a Zombie Apocalypse in Minecraft*

本週目標：學完後，看懂影片 00:00-10:28 的主要內容與笑點（跳過 07:35-08:43 廣告）

今天不是逐字翻譯。你要做到：聽到關鍵字就跟上事件、看英文字幕能抓到意思、能說出主角遇到的問題與做法。

Mission 1: The Rules of This World

先不要看影片。讀下面的「世界規則」，把流程排成合理順序。

一種 **virus** 開始 **spread**。被 **infected** 的人變成 **zombies**。陽光對他們沒有 **effect**。主角要 **survive** 100 天；而且 **zombies** 之後會得到更強的 **ability**，也會做出更多 **damage**。

A. Put the events in order

在括號填入 1-5。

- () The zombies get stronger.
- () One man is infected.
- () The last man tries to survive.
- () The virus spreads.
- () The sun has no effect on the zombies.

B. Your first prediction

如果第一晚就出現幾百隻 **zombies**，主角最該先做哪一件事？圈選並說理由。

find food build a shelter explore the town fight every zombie

My choice: _____ because _____.

Mission 2: Core Words for the Video

C. Build four meaning chains

從字表找字填入。每字可用一次。

1. virus → _____ people → _____ to more people
2. blood + _____ → hundreds of zombies _____
3. zombies get a new _____ → they do more _____
4. _____ the town → find a _____ → try to _____

Mission 3: YouTuber English Survival Kit

YouTuber 說話很快，還會重複、停頓、改口。不要每個 uh 都翻譯；看到下面整塊，直接抓意思。

Subtitle chunk	直接理解成
Take a look at this.	看這個。
Here's the thing.	重點來了。
There you have it.	就是這樣。
deal with this	處理這件事
sneak up on me	偷偷靠近我
break down blocks	把方塊打壞
come for me	朝我來 / 來抓我
get in / get out	進去 / 出去
run from them	從他們身邊逃走
take one down	打倒一個
at least for now	至少目前如此
Are you kidding me?	真的假的？
This is nuts.	這太扯了。
I don't even know what to say.	我都不知道該說什麼了。

Fast-match challenge

1. The zombies are at the door. They may **get in**. ____
2. The hero does not fight. He **runs from them**. ____

3. A zombie comes quietly from behind. It **sneaks up on him**. ____

4. The hero wins one fight. He **takes one down**. ____

A. 他打倒一隻 B. 他們可能進來 C. 他逃跑 D. 殭屍偷偷靠近

Mission 4: Two Grammar Tools for Watching

Tool 1: be going to + 動詞 = 接下來會...

影片介紹規則、預告危險時一直使用這個句型。

- The zombies **are going to get** stronger.
- I **am going to build** a shelter.
- They **are going to come** for me.

完成預測：

1. The virus _____ spread.
2. The zombies _____ do more damage.
3. The last man _____ try to survive.

Tool 2: 過去式 = 剛才發生了什麼

影片進入 Day 1 後，主角開始回顧自己的行動。

現在 / 原形	過去發生
walk	walked
kill	killed
start	started
find	found
get	got
run	ran
make	made

把 Day 2 行動排成合理順序，再改成過去式口頭說一次：

run away → find seeds → plant the seeds → make bread → go fishing → get home
